

EARLY CHILDHOOD TEACHER HIGH SCHOOL PATHWAYS

START HERE

A career in Early Childhood Education (ECE) begins with your school district's Career + Technical Education (CTE) program.

STEPS
TO TAKE
NOW!

- **Family & Consumer Science** courses
- **Job shadowing** opportunities through Pikes Peak Business and Education Alliance
- **Summer job** as an ECE Teacher Aide

Ask your school's counseling office about CTE programs

HIGH SCHOOL ARTICULATION

Take early childhood classes (ECE 101, 102 and 103) in high school, which may be eligible for college credit through [Pikes Peak State College](#). **Cost:** \$10 per course (must earn A or B)

CONCURRENT ENROLLMENT

Complete ECE 101, 102 or 103 through PPSC or UCCS to earn both high school and college credit. Apply credits to a full degree or work as a Lead Teacher in an ECE program.

ASCENT

This program is Concurrent Enrollment extended into the 5th year of high school. It provides graduating seniors tuition assistance with one extra year of free college-level coursework.

CAREER START

Juniors and seniors can take up to 20 college credits in the ECE program at the PPSC Centennial Campus. Students may earn up to 19 credits toward Associate of Applied Science (AAS) degree and complete their Basic Skills certificate.

TEACHER CADET

A solid foundation for a major in Early Childhood Education or Early Childhood Special Education. Successfully complete the program and enroll at PPSC are eligible for college credit!

TREP

A continuing high school program after completion of senior year (must have taken one ECE class in high school). TREP pays for first two years of college tuition for students pursuing teaching or school counseling degrees.
